

# Range Rules

## Ranges H, I, J, and K

---

---

1. CALIBERS ALLOWED: Any rimfire or center fire smokeless cartridge, air guns. Only handguns are allowed.

**NO SHOTGUNS OR CENTERFIRE RIFLES ARE PERMITTED**

2. **ALL BULLETS MUST IMPACT THE BACKSTOP.** It is the shooter's responsibility to position targets in a manner that will insure all bullets will impact the middle to bottom half of the berm. Bottom of target frame must be a minimum of 48" from the ground and may be placed no closer to the firing line than 8 yards.

3. Target frame bases are provided by ARC and will be constructed to accept 1X2" wood strips. Members are to provide their own target frame uprights, backing material, and targets. Frames must be of a material that will not cause a ricochet. Members may provide their own target bases.

4. All firing not defined as matches or supervised practice MUST be from the static firing position tables. NO EXCEPTIONS.

5. Only paper targets will be permitted. Hard targets of any kind, bowling pins, glass, steel or other hard targets, milk jugs, cans, or clay birds are not permitted. Shooting at targets on the ground is not permitted.

6. All materials not provided by the club must be removed from the bay and the firing line when the shooter is finished. This includes any frame material, backing materials, paper targets, brass and any personal trash such as water bottles. Trash receptacles and brass buckets will be provided at each bay.

Approved by the ARC Board of Directors, October 12, 2009, to become effective immediately.  
Greg Troxell, President, Austin Rifle Club
