Austin Rifle Club Membership Process

Steps 1 - 5 must be completed before this application may be submitted to the Austin Rifle Club.

1. **When applying for membership you first need to attend a Prospect Safety Evaluation.** *The signed "Safety Evaluation" must be presented to the Instructor at **Range Orientations Class** or your application will be disqualified. If you do not have the approved form you may reschedule for a later Range Orientation Class. **No applications for membership at Range Orientation Class will be accepted without an approved Safety Evaluation Form signed and dated by your Prospect Safety Evaluation instructor.***
2. You will need to participate in a range safety evaluation prior to application for membership. This can be done in one of three ways:
 1. If you have successfully participated in two of the many matches hosted by ARC or one of our partners, the RSO for the match can sign off on your demonstration of safely handling a firearm. You can email safety@austinrifleclub.org to request the form.
 2. If you are very comfortable with a firearm, we offer a group evaluation from 5:30 pm to 6:30 pm on the first Wednesday of the month; this is immediately prior to the Range Orientation Class. Please do not come early! You can email membership@austinrifleclub.org for a link to the sign up.
 3. If you are somewhat new to firearms or would prefer a one on one evaluation, please email safety@austinrifleclub.org to arrange an appointment.

You will be firing your firearm for the evaluation. Please bring a cased and unloaded handgun (preferred, but rifle is okay) w/ 2 magazines if you have them, eye and ear protection, and 20 rounds of ammo. Review the 4 rules of gun safety <https://gunpros.com/gun-safety-rules/>

3. **After successfully completing a Prospect Safety Evaluation** you must attend a Range Orientation Class held by Austin Rifle Club. This is held on the 1st Wednesday of each month at 6:30pm at the A.R.C. Education Building, and usually takes about 2 hours. Check our online calendar for start time. **The Range Orientation Class is where you begin the new member application process.** You do not need to sign up, just come out.

The Education Building has its own gate about 1000 feet (.2 mi) west of the main range gate and up the hill.

4. Applicants must have a background check performed by the Texas Department of Public Safety, Criminal Records

Email: membership@austinrifleclub.org

Service. This may be done in person at 108 Denson, Austin Texas, or online at:

<https://records.txdps.state.tx.us/DpsWebsite/index.aspx>

Applicants are exempt from the background check if they possess a valid CHL or are currently a sworn Law Enforcement Officer. Show proof to the Range Orientation Class instructor and he/she will endorse the application. You should obtain this before coming to Range Orientation Class as it hastens the process.

5. The applicant completes the ARC Membership application form as well as the waiver agreement.
6. Enclose the background check confirmation from DPS with the application and appropriate dues and leave the package with the Range Orientation Class instructor who will forward the package to the Director of Memberships. If your package is incomplete at the time of the Range Orientation Class, you may mail the completed form and materials to:

Austin Rifle Club, Inc.
Attn: Membership
PO Box 141399
Austin TX 78714-1399

7. The application is reviewed by the Director of Memberships for completeness and accuracy.
8. All new members spend their first 6 months in a probationary period. During this period the new member has full use of the range but no voting rights.
